— HOW TO USE THIS BOOK

How to Use This Journal

The 90-Day Tasting Wine Journal is designed for the serious wine enthusiast who wants to move beyond casual drinking and build a disciplined, analytical approach to experiencing wine. Whether you are managing an active cellar, developing your palate for WSET or sommelier study, or simply determined to deepen your knowledge over the next 90 days, this journal gives you the structure to do it properly.

Your journal contains four types of pages, each serving a distinct purpose in building your wine knowledge and collection records.

The Wine Cellar Inventory Log pages (pages 4-18) are your cellar's permanent record. Use them to document every bottle you own — its producer, vintage, varietal, storage location, quantity on hand, and purchase price. Update these logs whenever you add or remove bottles from your cellar. A well-maintained inventory protects your investment and ensures you always know exactly what you have and where it is.

Thank You

— THANK YOU PAGE

Thank you for choosing The 90-Day Tasting Wine Journal as your companion on this journey toward a deeper understanding of wine. The 90 days ahead of you are an extraordinary opportunity. Each bottle you open is a chance to train your palate, sharpen your analytical thinking, and build a personal archive of knowledge that no app or algorithm can replicate. The collectors and enthusiasts who commit to this kind of disciplined documentation consistently outpace those who rely on memory alone — and you have already made the choice to be among them. Use this journal faithfully, trust the process, and do not underestimate what 90 days of focused attention can do for your relationship with wine.

If this journal has made a difference for you, we would love to hear about it! Please take a moment to leave an honest review on Amazon — your feedback helps other readers find books that can make a real difference in their lives.
